WE PLANT THE FUTURE

MAYONEUR CREATES UNIQUE MOMENTS WITH MAYO. BECAUSE GOOD FOOD NEEDS GOOD MAYO

With this in our mind we as MAYONEURS have embarked a journey in which we believe that mayo can be a lot better and healthier. Thats why we choose to be plant based without using any animal products and rather invest in fruit, veggies & spices. We at MAYONEUR believe that plant based mayo can be a special experience and have a positive impact on the environment. By being different we want to ensure that there is less animal suffering and more investments in sustainable projects.
